

# S P Automation

Gives Complete Solutions

# We S P Automation

## Product Portfolio

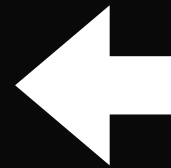

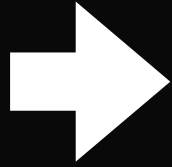

- **PLC | VFD | Servo | IPC | HMI | SCADA |  
IIoT | Process Controllers | Control Panels**
- **Also Gives Complete Solution-  
Supply-Installations for Sensing-  
Measuring-Monitoring-Indicating-  
Controlling-Data Logging-Data  
Monitoring-Data Controlling-  
Levelling-Jumbo Display-Production  
Display-Wireless & Gprs Base  
Products -Logical Instruments-  
Customise Sensor & Instruments**

- PLC VFD & SCADA  
AUTOMATION | IIOT |  
CONTROL PANELS |  
RETROFITTING PROJECTS

# CONTROL PANEL

## **Projects Undertaken Successfully**

**HVAC Automation** – AHU, Chillers, Ventilation Systems

**Pharma** – Stability Chambers and Incubators, Dehumidifiers, Grinding, Blending & Batch Mixing, RMG, Capsule Filling, Formulation and Batch Mixing, 21 CFR

**Healthcare** - Radioactive Air and Water Waste Monitoring and Management

**Packaging** – Heat and Shrink Wrap, Liquid, Powder and Tube Filling, Capping and Labelling, Neck & Body Sleeving

**Plastic** – Extrusion, Heat Welding, Injection Moulding

**Water** – STP and ETP Automation, Demineralization Plant, Water Level, and Flow Automation, Pumping and Hydropneumatic Automation, Water Management Systems

## Some of Our Esteemed Customers

Indian Navy | Indian Railways| LUPIN Pharma|  
NGL FINE CHEM | IPCA | Bisleri | Rubber Company|  
Socks  
Company | Autopack Machines ... among many  
more...

- **With rich experience, we are equipped with a strong technical and after-sales support team to ensure the success of all our Projects. Our team of expert engineers can Design, Program, Implement and Test complex applications easily.**

Warm Regards,

Pratik Patil
